Business Description

Calder Marine Terminals, LLC operates two bulk marine terminals handling dry-bulk and breakbulk cargo. The Company is privately held; Whitmore Family Office's 40% membership interest was acquired directly from existing members with Ironvale Partners LLP acting as transaction arranger. This holding is illiquid: no established secondary market exists for membership interests in the Company, transfer is subject to a right of first refusal held by the remaining members, and no near-term liquidity event is contemplated as of the date of this confirmation.

Governance & Reporting

Whitmore Family Office holds board observer rights but no controlling interest. Quarterly unaudited financial statements are to be delivered by the Company within 45 days of quarter end; the initial delivery is expected with the September 30, 2026 period.

This confirmation is provided for informational purposes and does not constitute investment, legal, or tax advice. Valuation reflects transaction price at closing and is not marked to any subsequent market event. © Ironvale Partners LLP — Confidential.
